REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The primary reason for allowance of the claims is the claim limitation for a plurality of individually addressable light sources configured in a two-dimensional array with a beam concentrator which reduces the cross-sectional dimension and collimates the light.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
